

Christmas cards for prisoners

Bethel is participating in a Christmas cards for prisoners program, which is a project of The United Methodist Church Prison Ministry & Restorative Justice Team of the Eastern PA Conference. On a table just outside of the sanctuary, you will find packets of Christmas cards. Please take one or two of these packets home, write a short message in each card, sign each with your first name, and deliver the finished cards back to the church no later than October 28. In the instructions, there are several suggestions for what to write. Please do not use stickers, glue, crayons, or colored pencils and no enclosures of any kind. Your participation just might change a life!
